Sponsorship/Advertising Program

The following form is for individuals or businesses to complete if they are interested in using our club as a means of advertising their business and or becoming a club sponsor.

There are two ways you can utilize our club as an avenue for promoting your business. First, you can place an ad in our monthly newsletter. This would be an ad page that you submit either a hard copy with the completed form, or it could be e-mailed to our newsletter coordinator as a word document. Payment could be mailed separately to the address below. The fee for this service is \$25.00 for ¼ page, \$50.00 for ½ page and \$100.00 for a full page ad annually in our clubs newsletter.

The second way you can utilize our club is through the use of our web site as a sponsor. For an annual fee of \$50.00 we will place your company name on our web site front page as a sponsor and also provide a link to your web site.

Please complete this form below and send it in with your check requesting either or both a sponsorship or newsletter advertisings to the address shown below. Checks should be made out to the Chautauqua County Corvette Club, P.O. Box 187, Bemus Point, NY, 14712.
