### Message from the President

*It is hard to believe that the summer is starting the downward trend after not the greatest spring and summer weather that we have experienced. However, we still have lots of good driving weather to take advantage of and we should be using these remaining days as much as possible. Check out the new social committee listings for any open dates and even make suggestions for possible new events to the committee. Our club has started to take a more active role in car shows and local events, which helps to promote the club's membership. We have gained several new members by attending these local events.*

*The best way to increase our club membership remains for each of us to talk with other corvette owners and encourage them to join by providing them details of our clubs activities.*

*The July 4<sup>th</sup> parade in Warren was another great day for the corvettes and the weather was fantastic. Although, we only had seven cars this year, everyone had a great time and I have included several pictures from this year's parade for the newsletter. See attached for the photos. Most of you may have already seen the aerial photo taken by a drone from an unknown individual. If someone on Facebook has this photo, could you please send this to Gene and perhaps he could add that to the newsletter. Thanks again for all those that were able to attend this year's July 4<sup>th</sup> parade.*

*The clubs biggest event of the summer is the annual picnic, which is being held on August 15<sup>th</sup> at the Lakewood Rod & Gun Club's pavilion starting at 6:00 pm. If you have not informed me of your plans to attend, please do so as soon as possible. I have to advise the caterer on August 1<sup>st</sup> the final number that will be attending the picnic. Remember that if you sign up to come and then don't attend the club has to pay for your dinner so make sure that you will be attending.*

Note: Sandy and I can always use help in setting up for the picnic and would appreciate anyone that could come around 5:00 pm to help.

Let's not forget the event that I have mentioned several times already and that is the event that Ted Okerlund has set up with Basil Chevrolet in Fredonia, New York on Saturday August 24<sup>th</sup> from 10:00 am to 2:00 pm. There will be radio station broadcasting and many other attention getting things that can only help promote our great club. Thanks again, Ted, for doing the work to get this planned and let's hope it is one of many club promotions that we will have. Let's all plan to attend and show our support for the club and Ted's hard work.

I will, also, be looking into smaller club signs for car shows similar to the political signs you see in individual yards. These smaller signs will be much easier to carry in the car and can easily be displayed at most car shows.

I am still working on getting a speaker for the September 20<sup>th</sup> or November meeting. **NOTE: The September 13<sup>th</sup> meeting will have to be changed to September 20<sup>th</sup> because so many members are going on the Fall Trip to South Dakota and the Black Hills area.** This trip departs on Friday September 6<sup>th</sup> and returns on Sunday September 15<sup>th</sup>. Please note this change in the September meeting date so you do not miss it.

Gary
