AUGUST 2020

Message from the President

August is here and the weather has been great for driving our cars, however, there are just not many places we can go as a group. If it is not limits on group sizes, it is restrictions and or regulations that restaurants are facing. Along with these issues, different states have different restrictions on whom and where you can travel without facing a quarantine of some type. This is, also, an issue that keeps changing so you never know from one day to the next if new regulations may be instituted from one state to another and because of these limitations it has become very hard to plan any club functions. As you all know, we have our annual club picnic scheduled for Thursday August 20th, at the Lakewood Rod & Gun Club pavilion starting at 6:00 pm. At this point in time everything is on schedule and I will need to know who is planning to attend this event so I can let All American Barbecue know exactly how many chickens to order, I will need this information by August 7th. We should be able to properly social distance with the tables that are in the pavilion area. We are going to sell raffle tickets for baskets again this year. I do have two members that have offered to put a basket together, but I need two more baskets to raffle, NOTE: There is a maximum of \$50.00 you can spend on these baskets and remember to keep all your receipts so you can be reimbursed by the club for the items that you have purchased. One last reminder, we can always use help setting up the tables and getting the corn ready. If you are able to come early to help, we ask that you be there at 5:00 pm. I really would appreciate you confirming that you are attending the picnic by no later than August 7th.

The new C8 seems to be gaining interest, even though production is not high at this time although I have heard a lot of good comments on its performance features. Just wondering if any member has had an opportunity to look at a new C8 or better yet sit in it or had a chance to drive one. NOTE: Because of the limited availability of the C8 I have heard some dealers are asking very high prices for them.

With the Covid-19 tests increasing, more and more people are testing positive. I hope that everyone's family is staying safe and following the recommended practices. This brings me back to the topic of our club picnic once again and here is what I would recommend, everyone should wear a face mask until we find our seat and try to social distance when having conversations with other members when possible. Also, don't forget your hand sanitizer. Maybe we could even have a funniest face mask contest, just a thought?

That's about all for now and I'm hoping that everyone can return to a more normal life style by the end of the year. I, also, would like to plan a September meeting, dependent of restrictions, even if we need to hold it outside. Progress does seem to be heading in the right direction on vaccines so let's keep our fingers crossed. I hope to see everyone at the annual picnic.
