Message from the President

The year is coming to a close and it certainly has been one for the history books. We have all had to change our daily lives for many reasons, but, mainly because of the coved-19 virus. With virus cases on the rise, at this time, many states are looking at new lockdowns which most people do not agree with. This makes the holiday season more difficult for everyone and makes some family plans much more uncertain. Holiday shopping and traveling is just part of the unknown areas that we are heading into this time of year. When you add this to the recent election situation and the impact that this can have on all of us, this season is one that we will all remember.

On the optimistic side, let us look to the future with hope and optimism as vaccines are almost here and with this we have a very good chance of getting back to a much more normal life style next year. This means we can start to make plans for club events in 2021, including a fall trip and possibly even a weekend cruise to a special scenic area within a reasonable distance from Jamestown.

Even with all the unknowns we are facing this season we still have a lot to be thankful for and it is a good time to think about helping others less fortunate than most of us. When you give to others it always comes back to you at some point and makes you feel a lot better as a person. Everyone has their own way of reaching out to others even through volunteering at this time of year as there are many organizations that can use a helping hand.

I want to send a special thanks to Greg, Diane and Andy for once again planning this year's Christmas Party scheduled for Friday December 4th at the Chautauqua Harbor Hotel.

Sandy and I want to wish everyone and their families a very Merry Christmas and a Happy New Year and stay safe.

Gary
