FOR SALE

1960 Corvette. It's had a frame off restoration a complete, leather interior rebuilt engine and transmission. It has some racing heritage in California and Alberta Canada. I raced it four times last year. The exterior has the original patina since it was painted in November 1959. I have it listed on Hemmings, but would sell to a local person for \$50,000

Contact Todd Huber @ 716-410-6363 or thuber@netsync.net for additional info and pictures.

The background of the advertisement is a night-time photograph of a city bridge. Two Chevrolet Corvettes are driving towards the viewer. The car on the left is a vibrant blue, and the car on the right is silver with a blue racing stripe down the center. The bridge's structure is illuminated, and city buildings are visible in the background under a dark sky with a bright starburst light in the upper right corner.
