HOUSE FIRE

David & Kristina Paterniti, one of our members, home burned and was totally destroyed this past Sunday. They lost everything! (except the garage). They are set for clothes for the moment.

If you would like to help, there have been the following accounts set up: venmo to @Kristina-Paterniti, or Paypal to kris.paterniti@yahoo.com

Our thoughts and prayers go out to them.

FOR SALE

1960 Corvette. It's had a frame off restoration a complete, leather interior rebuilt engine and transmission. It has some racing heritage in California and Alberta Canada. I raced it four times last year. The exterior has the original patina since it was painted in November 1959. I have it listed on Hemmings, but would sell to a local person for \$50,000

Contact Todd Huber @ 716-410-6363 or thuber@netsync.net for additional info and pictures.

The background of the advertisement is a night-time photograph of a city bridge. Two Chevrolet Corvettes are driving towards the viewer. The car on the left is a vibrant blue, and the car on the right is silver with a blue racing stripe down the center. The bridge's structure is illuminated, and city buildings with lights are visible in the background under a dark sky with a bright starburst light in the upper right corner.
