JULY 2020

Message from the President

July is here and it has arrived much too fast for us car driving folks that want to be enjoying the roads in our corvettes. It has, also, been one of those once in a life time situations for everyone around the world with the pandemic that we have experienced. Although we are limited to activities and cannot hold our normal monthly meetings, we can always get together as long as we remember to social distance and wear a mask when appropriate. Greg Paterniti has been working on a location for our July Lunch/Dinner gathering and things are being finalized as you read this newsletter. Details should be coming out very soon or they may have already been communicated by this time. You may recall, I was looking for input as to what day of the week would be best to have the July Lunch/Dinner, but unfortunately, I received very few responses. If you did respond, I would like to thank you for taking time to do so. We did get a few suggestions on possible locations and this list was turned over to Greg.

Our annual picnic is scheduled for August 20th and it will be held at the Lakewood Rod & Gun Pavilion beginning at 6:00 pm. Until the caterer has the okay to hold this event it is still not 100% confirmed. However, mark your calendars down for the August 20th picnic as there is a good chance that we will be able to have this event which is always enjoyed by everyone. It would be great if we could have a few members step up and help coordinate some baskets and or other prize ideas to help make the picnic much more enjoyable. Please let me know, at this time, if you are planning to attend the picnic so I can have some idea of the members interested thus far. If the positive responses are very limited, I will let the caterer know we will not be having our annual picnic this year.

This spring and summer has been very limited on what we can do as a group. If you were not part of the cruise to the Greene Eagle Winery in Portland, Ohio you missed a great time. The drive to Cortland was all on country roads and the scenery was great. It was one of the best attended club functions, thanks to all those that were able to be part of this cruise. Restaurants are starting to open up and some even have outdoor seating so think of what we could do for day or a mystery cruise and plan something for the club. Let's not let the Covid-19 stop us from enjoying our cars and fellow club members even if it is a limited event.

In closing, Sandy and I want to wish everyone and their families a very happy and safe July 4th. GOD BLESS THE USA.

Gary
