PRESIDENT'S MESSAGE

The summer is in full swing and we have had only limited activities for various reasons, but, I think the storm clouds are moving on. The July dinner at the Shorewood Country Club in Dunkirk (July 15th is at 6:00 pm) 4958 W. Lake Rd., Dunkirk, NY is only a few weeks away and if past functions there is any indication it should be another great time. Molly Staley has been doing all the work coordinating this event and she deserves a great big thank you from everyone for stepping up and taking on this annual event, Thank You Mollie.

You remember that I mentioned we are once again allowed back into the meeting room at the Lakewood Rod & Gun Club for our monthly meetings. New York State has opened up restaurants and etc. to full occupancy. This is good news and we are, also, scheduled to have our clubs annual picnic (August 19th, no formal meeting in August) back at the pavilion at the Rod & Gun, which is same location we held this function for over ten years. It will start at 6:00 pm and generally runs until 9:00 pm. This is the best attended club function that we have during the year and help is always welcomed (5:00 pm) for set-up and corn shucking. All American BBQ will be handling the food once again. I would like someone to furnish a propane heater and to pick up a large SS pot from All American BBQ (call Mike at 716-499-6030, he has already agreed to let us use his large kettle) for the corn. Let me know if you are willing to be responsible for this area, thanks. However, (AABBQ), will not be preparing the chickens at the pavilion this year, but will be serving and supplying, everything as they have done in the past, except for handling the corn. I will be starting a list of those that plan to attend so let me know your plans as soon as you can. We, also, need someone to step up and be in charge of baskets that we raffle off at the picnic.

Just a short reminder about the August 14th picnic for Tim Sagurney. Mark your calendars so you do not miss this picnic at the Mayville, NY park picnic area.

Travel restrictions in many states have, also, been either relaxed or eliminated so plan something for this summer that the membership can take part in. We have had mystery cruises in the past and they were a big success. This is an easy thing to do just send out an e-mail to see how many would like to be part of this with a date and the timing. Sandy and I have an idea for one in the future, details to come. Just a plain old day cruise with a packed lunch and a ride to a cool spot with the enjoyment of our local scenery along the way.

It is time to get active again and take advantage of the relaxed restrictions to travel some of the great country roads in our general area. Like one of the local car dealerships always say, "It is time to get out and play".

I would like to wish everyone a safe and Happy July 4th weekend.
