PRESIDENTS MESSAGE

July is here and the CCCC activities are in full swing. Our first event is the July 4th parade in Warren on Monday July 4th. The plan is for a departure on Monday from the Warren Walmart parking lot at 9:00 am promptly to the parade staging area. If any member would like to have breakfast before the parade, we will meet at Bob Evans at 7:45 am. At this point we have 8 cars from the club and anyone that wants to join us just be at the Walmart parking lot prior to 9:00 am. The parade starts at 11:00am, but staging sometimes changes so getting to our area early is required. The parade route this year is the same as last year as the traffic pattern changes have been delayed and once we are in the actual parade it generally takes 45 minutes to go through the entire route. Hope to see more members in some of these upcoming events.

Next, we have the car show at the Lakewood Rod & Gun Club on July 17th starting at 10:00 am. We normally have eight to ten members participate and we usually have a good time and it is a great location. This is, also, a good time to promote our club to new members.

The Corvettes of Buffalo are having a charity cruise (Kids Against Drugs) on August 7th that requires you to pre-register by July 17th. Fred Mackowiak is coordinating this event for our club for those that are interested. Contact him for any questions that you may have. He sent out an e-mail on this cruise on June 19th so most of the details were attached at that time or you can go on Corvettes of Buffalo's web site for forms and details. I would like to thank Fred for stepping up to coordinate this outing for our club.

Diane Paterniti has been organizing a cruise on Lake Erie on the Victorian Princess for July 24th and she has sent out information on this event several times. Refer to her June 29th e-mail to all members. Please contact Diane if you have any questions. Thank you, Diane, for handling this club function.

With the weather finally turning in our favor, let's get out and enjoy these great cars on our local country roads. I mentioned that Sandy and I are planning to have a mystery cruise in the near future with more details to follow.

That's all for now and I hope to see some members at these upcoming functions. I would like to wish everyone and their families a very Happy and Safe 4th of July.
