## PRESIDENT'S MESSAGE

June has arrived and it seems that the country is starting to reopen as some states relax a few of the COVID restrictions. The club is also starting to get a handle on some possible events for this season and hopefully we get our club back into the driving mode. The vaccines are becoming more available and more people are getting their shots, which should help limit the COVID. The country is trying to get back to opening up more of the day to day activities, but, in my opinion this could take a long time. Some states are more aggressive than others in opening and as we know things could change at almost any moment.

I have been looking at a fall trip to the New England area, which many of us have been to before. However, it is hard to find areas that members have visited before and a time period that works for all those interested in this trip. Timing and the COVID situation will likely impact those interested and regrettably, whatever schedule is finalized it will not work for all interested in this type of trip for seven to eight days. The trip will mainly end up in the Maine coastal area with side trips for everyone to develop on their own, if they have an interest in planning this type of venture. More details on the fall trip will be sent out in the next few days as my last message on the trip generated several responses of conflicts for some on the timing.

I mentioned at our last club meeting that I will be sending out a survey to the membership via e-mail in order to get some feedback on a few subjects. When you get the survey you can print it and mark your responses and mail it to the club post office box or bring it to the June meeting so we can discuss it at that time. The June meeting is scheduled for Thursday the 17<sup>th</sup> at the Lakewood Rod & Gun clubs pavilion starting at 6:00 pm.

Sandy and I hope everyone had a safe and enjoyable Memorial Day Holiday and remembered those that gave the ultimate sacrifice so we can enjoy the freedoms we have today.
