PRESIDENTS MESSAGE

I hope this message finds that everyone has survived the winter and is looking forward to spring and driving our cars once again. The weather, over the last few weeks here in the north, reminds us that winter is still around even with spring only about a month away. Some of you may have heard that the Lakewood Rod & Gun Club was temporarily closed for a brief period of time; however, I believe that it has now reopened and will remain our meeting location unless things change. Do not forget that our first official meeting is scheduled for Thursday April 21st at 6:00 pm. The March bowling party is coming up on March 17th which is the third Thursday at 7:00 pm at the Jamestown Bowling Company on Foote Avenue. I would appreciate everyone that plans to attend to let me know, as soon as possible if they are planning to attend, so I can determine how many members will be coming. Remember, you do not have to bowl to attend this club function. The club will be furnishing pizza and wings. Please let me know no later than March 11th. It is, also, time to be thinking about some club activities for the coming season. The bowling party in March is the next club function (which was mentioned above) before we have our first official club meeting at the Lakewood R & G club which will be held, as noted, on April 21st at 6:00 pm. In April we, also, have the opportunity to get on the track at Watkins Glen on Saturday April 9th. I did not want to wait for everyone to respond, as the time slots were being filled fast. With that in mind, this is what I have done to reserve a spot for our club on the 9th.

CONTINUED ON PAGE 2

Our club has a line up time at 10:30 am on the 9th. It takes at least three hours to get to the track from Jamestown so we should plan to depart the Park & Ride (off I86 exit 12) by no later than 7:30 am. The cost this year is \$20.00 for a three lap ticket and you can purchase as many tickets as you want. However, after each three lap run you will need to get off the track and get back in line for your next run on the track. Depending on the number of cars it is hard to determine how long it would take between each track run. At this point in time I have 5 cars signed up and have slots for at least 10 cars. I will need to confirm our final car count one week before the 9th so that the track knows how many from our club will be attending. This is a great opportunity to drive the world famous track and to even get your car photographed during your time on the track.

It is, also, time to be thinking of club activities for the summer so we can get a schedule out to our membership. Most of you know that Vic Anderson has a May trip planned to the Tail of the Dragon in the Tennessee/NC area from May 2nd to the 6th depending on how the members want to return home. Vic has all the details and I am sure most everyone that wants to go on this trip has already made their hotel reservations. If you have any questions regarding this trip, please contact him for more details. I want to thank Vic for planning this club function. There are other road trips that could be planned it just takes someone to start the ball rolling with an idea and an e-mail to see how much interest there would be.

Several club members have ordered or received their new C8 corvettes so we should see a few of them this driving season as we get ready for some cruising this summer.

That's about all for now; please let me know about the bowling party and Watkins Glen trip as soon as possible, thanks.

Gary
