NOVEMBER 2019

Page

Message from the President

It's that time of year when we unfortunately have to get the cars ready for the coming winter weather. Some of you take your cars south so you can enjoy them for the coming months, but most of us cannot, so we need to get them ready for storage. Each of us have our own method of getting our cars ready for storage and I believe that there is no single right way to accomplish this task. The coming winter can still provide our members, staying in the north, with some fun things to do. Do not forget about our clubs Christmas Party on Saturday December 7th at the Moon Brook Country Club. This is the same location that we have used for past few years and is a central location for most of our members. Details will be coming out in the next few weeks, so watch for the information on this club function so you do not miss this holiday season event.

I, also, want to remind everyone about the Directorship position that is up for election this year. This position is currently held by Fred Mackowiak and is a three year term, as are all the Directors positions. The November meeting will be the deadline for anyone wishing to be placed on the ballot for this position and to get more involved with the clubs operations. The ballots will be sent out several weeks prior to the Christmas Party and must be signed, dated and returned by the member submitting the ballot. Please be advised that without the ballot being filled out completely your vote will not be counted.

Future club functions to look forward to after our Christmas Party will be the Valentine Dinner in February followed by the March Bowling Party with the club furnishing the pizza and wings. This year the bowling will likely be held on a Wednesday, but I will confirm this date and time.

Remember our November meeting is on Wednesday the 13th at 7:00 pm at the Lakewood Rod & Gun.

Gary
