OCTOBER 2020

## ***Message from the President***

Summer is coming to a close for our area, but we still have time to enjoy our cars before we put them into storage. The weather, along with the virus, has had an impact on the clubs activities this summer. We hope that the virus is more in check next year and will allow us to return to a more normal club event schedule which will include our bowling party in March or our visit to Watkins Glen in April along with our annual 7 to 10 day trip either in the spring or the fall. We still have time to get out and enjoy the beautiful colors in our area in the coming weeks. From what I have read the color this year is supposed to be outstanding, which can change dramatically with weather changes.

Earlier I sent everyone an e-mail about my conversation with a Lakewood Rod & Gun Club board member and that I asked if our club could resume our monthly meeting at the R & G. I was advised that we can restart the club meetings and that we will be able to hold them on a Thursday evening which has opened up after changes to the usage of the R & G clubs meeting room. The meeting schedule will begin on the third Thursday, October 15th at 7:00 pm followed by our last meeting of the year on Thursday November 19th. Note: The web site and club application has been corrected to reflect this change.

PAGE 2

The clubs Christmas Party date has changed from Saturday December 5th to Friday the 4th. Greg and Diane Paterniti along with Andy will be providing all the details in the coming weeks. The date change was necessary because of the possible closure of the original restaurant location for December.

I am hopeful with the club restarting our monthly meetings that we can get our club events for next season back on to a more normal schedule. Also, with the meetings starting in October we still need to practice good covid-19 standards with social distancing and wearing mask when not sitting and moving around in group settings. Even though we are able to hold our meetings we still need to keep safety in mind for the good of all of our members and that of the R & G club members.

That's all for now and I hope we can have a good showing for our first official club meeting for 2020. Stay safe and remember to practice the covid-19 standards when possible.

Gary
