President's Message

The fall season is just around the corner bringing a lot of colorful driving area for us to visit. The next two months will provide us with many locations to enjoy and travel through as the leaves in our area start to display their famous colors.

We have had several new members join our club in the last few weeks and this is good news for everyone. New members bring new ideas and thoughts about possible club activities for the future. When we have our meetings and or other club functions, be sure to make these new members welcome to our great corvette club. We were all new members at one time so let's make everyone feel welcome.

The September meeting is scheduled for Thursday September 15th starting at 6:00 pm at the Lakewood Rod & Gun Club, so let's plan to have our biggest turn out for the summer. I, also, want to remind everyone whether you are a Lakewood Rod & Gun Club (LWRGC) member or not, you are welcome to join our corvette club members, that are LWRGC members, for dinner prior to the meeting at the club. Just inform the person at the door that you are there for the corvette meeting and they will allow you entry. All you need to do is let a LWRG member know that you would like to join others for dinner prior to the club meeting. NOTE: The restaurant does not accept credit cards so plan accordingly. If you would like to have dinner prior to the meeting they start serving at 4:30 pm.

Check out our club web site as things are always being updated by Richard McCorrison. We, also, now have one of our newest members, Jeff Storrs Sr, taken on the responsibility of updating our club calendar with upcoming activities.

Saturday, September 3rd, we are planning a cruise to the Beef' N Barrel restaurant in Olean, NY and then cruising the countryside with a stop at the Cuba Cheese Factory and a scenic ride around Cuba Lake. Weather looks good for this event so if you have not signed up yet, what are you waiting for? This is why you purchased that great car so get out and enjoy it and have fun with members of your club before the driving season is over with for this year.

I hope to see a great turn out for the cruise on Sept. 3rd. Take care and drive safely and I hope that you and your family have a wonderful Labor Day weekend.
