### Message from the President

Spring is just around the corner and it is time to start planning to get our cars out of storage, if you have not already done so. With the arrival of April and the first club function of the season, our **trip to Watkins Glen on Saturday April 6<sup>th</sup>**, I will need to let the people at the track know approximately how many cars we will be bringing on that date, so please advise if you are planning on attending. If you are planning on going, you should be at the Park & Ride between 7:00 and 7:30am. Please pack a light lunch, as this saves a lot of time from us trying to find a restaurant. We can then depart somewhat earlier on our return and stop for dinner on the way back at one of the local restaurants, if you would like. Because the season is only starting, I do not have a lot of activities scheduled; so if you have some thoughts for club functions, please let one of the BOD members know. Vic Anderson is looking into a cruise-in at a local ski area (**Cockaigne**) and will discuss this at the April meeting. The date for this cruise-in is **Father's Day, Sunday June 16<sup>th</sup>**. I am, also, looking for someone to present a topic of interest that they have to our club membership at one of our meetings. If anyone would like to share one of their areas of interest, please let me know so we can plan this presentation at one of our meetings. It does not have to be related to corvettes.

**Thursday April 18<sup>th</sup> will be our first official club meeting for 2019.** This is a change from the original date of April 11<sup>th</sup> so be sure to correct your calendar. One of the topics to be discussed at the April 18<sup>th</sup> meeting will be changes to the By-Laws as it relates to voting on club Officers/Directors and major changes in the club, should they be needed. The BOD has approved the changes and we need to review these with the members attending this April meeting and then have them permanently added to the club By-Laws.

We are getting some interest from other corvette clubs to either have us take part in their functions or have them take part in our events. I will have more on this topic at the meeting on the 18<sup>th</sup>. The **Quaker Steak & Lube trip to Sharon, Pa is set for Sunday April 28<sup>th</sup>** and additional information will be sent out in the coming weeks. This is around a two and a half hour trip one way and we should try and get there early, as most of the parking spots are taken by 10:30 am. This means we should depart the Jamestown area no later than 8:00 am on that date. This is a well-attended event with several hundred corvettes each year. If you did not know, this is the first original Quaker Steak & Lube location.

*I am still working on the spring trip which is departing on Saturday May 18<sup>th</sup> and returning on Saturday May 25<sup>th</sup>. Weather in the area I had planned to visit has become an issue and I may need to change this routing as more details are made available to me. I will keep everyone posted.*

*That's all that I have at this time. Think spring, warm weather and good roads.*
