Message from the President

August has arrived and we should all be out there enjoying our cars as much as possible before our weather takes a turn. No one likes to hear this, but the days are actually getting shorter, which means we all need to put some miles on these beautiful cars that we own. Our largest club function is coming up on Thursday August 16th which is our annual BBQ picnic. You do not want to miss this member's only event at the Lakewood Rod & Gun Club pavilion starting at 6:00 pm. I sent out an e-mail on this function recently as the members have been slower than normal this year in responding to me with their plans to attend the picnic. I need to let the caterer know by August 6th our final count so do not wait until that time to let me know whether you will be attending or not.

Our club membership drive is an ongoing process, as I mentioned to you at earlier club meetings and e-mails, it is time to grow our membership numbers. Finding one new member each will make a big change in our club and bring in new ideas and events to enjoy. Everyone knows of a few corvette owners that may be interested in being part of a great club so give them a call and invite them to a club meeting, if you need membership applications I have extra copies.

I wanted to let everyone know that the changes in the By-Laws are completed and have gone out to the BOD for their final thoughts. Once I hear back from them on their approval on these changes we can discuss these changes and take a final vote on them at the September meeting.

We are still looking for a few more members to help with promoting the club at Warren's, Rally-In-The-Valley on Saturday August 18th from 10:00 am until 6:00 pm. I have extra copies of our membership applications and sponsorship applications for anyone interested in being part of our club in some way. I, also, have a few copies of the advertising sheet that was developed to promote our club. These could be posted where you think they would get the most attention from other car enthusiasts.

The fall trip is coming up and this year it will be from Sunday September 23rd to the 30th. We will be heading up into either the Catskill/Adirondack Mountains of NY on the first day and into the White Mountains of New Hampshire/Maine on day two. Our first night will be in the city of White River Junction, VT, which is on the border of Vermont and New Hampshire. Leaving WRJ we will drive through the White Mountains, passing the famous Mount Washington, which is the highest mountain in the Eastern U.S. This is where LL Bean tests many of their winter articles, as it is one of the coldest spots in the U.S. during the winter months. From the mountains, we will travel down into the Camden, Maine, area (spending several nights in this location). Our last few nights we will spend somewhere in the Rhode Island area where we have not stayed before. If you are interested in being part of this trip, please let me know, as soon as possible because Sandy is currently booking the rooms at each stop. Once we lock in the number of rooms and the rates, we cannot change them.

I also want to remind everyone that the club's officers' elections are this year for all positions. If you are interested in any one of these positions, let one of the BOD members know so we can place your name on a ballot for the December voting. All of these positions are for two years and any club member, with their prior approval, can be nominated.

One more reminder on the Annual Picnic August 16th from 6:00 pm to 9:00 pm at the Lakewood Rod & Gun Club pavilion, I need your response by August 6th if you plan to attend. We also need more members to make up baskets, \$50.00 limit per basket and keep your receipts for reimbursement by the club.

Gary
